Tim Dec  
Tadpole-Cartesia  
([www.tadpolecartesia.com](http://www.tadpolecartesia.com))

Westchester County GIS invites you to a morning of *skill learning* presentations focusing on (1) computer-aided design (CAD) and geographic information systems (GIS) integration and (2) mobile mapping applications. An update on the latest advancements in Hewlett-Packard large document printers will also be provided. To register or for more information contact Ana Hiraldo at (914) 995-4416 or email at [aeh2@westchestergov.com](mailto:aeh2@westchestergov.com). For directions visit <http://www.westchestergov.com/directionsMOB.htm> (143 Grand Street is near the Michaelian Office Building). Street parking is limited though several public parking lots are in the immediate area. Parking is also available at the Galleria Mall approximately two blocks away.
