

The City Council is considering a change to the City Charter that would remove the requirement that the Commissioner of the Department of Buildings be either a licensed Professional Engineer or a Registered Architect. This is a terrible idea. It will adversely impact the health, safety, and welfare of people in the city. Please sign the petition to let the Council know that you do not want this terrible change!

More information available at the website of the Bronx County Chapter of the New York State Society of Professional Engineers. www.BxNSPE.org
